

Ministry Discernment Update

Thank you to everyone who came to our meeting in May. As you get this e-news, we're preparing for a great evening with about 80 parishioners at our Looking Back and Looking Forward Parish Celebration and Conversation. Thank you also to everyone who supplied additional input through our online survey.

Our next step is to collect all of the input from these meetings so that we can use this information to inform the creation of our parish "portfolio," which is the basis for our job posting. We're on target to post the position by August 1, 2019, in accordance with our original timeline. An updated version is available here. (**Jennifer, please put a link to the updated timeline on the website.**)

Please feel free to contact any member of our team in person, or send us an email at mdcstpaulsvt@gmail.com.
